LETTER OF SUPPORT FOR SB651 (B. Allen)
Initiative, referendum, and recall petitions: circulators

April 17, 2017

Dear CA Senators,

A Voice for Choice Advocacy asks for your **AYE VOTE on SB651**.

A Voice for Choice Advocacy is in support of SB651, and we ask for your support in passing SB651, which is important legislation in advancing the need for greater transparency in the initiative, referendum, and recall petition process.

SB651 will not impede the petitioning process nor impact the process fiscally. It solely calls for the disclosure of persons and/or entities funding the circulation of petitions in an effort to encourage transparency and choice for registered voters. Full disclosure of the financial contributors to any legislation needs to be present at every stage of the legislative process.

In an effort to preserve the informed choice of registered voters in the petition process, we ask that you support SB651.

Thank you for your time and consideration.

Sincerely,

Christina Hildebrand
